Application Declaration

My doctor has prescribed the applicable prescription drug for me and I would like to receive the drug free of charge through The Safety Net Foundation (the “Foundation”). In order to participate, I hereby certify that the financial/insurance information listed above is accurate. I agree that this information can be provided to the Foundation, Amgen, and any agent of Amgen or the Foundation authorized to perform services on behalf of the Foundation.

I understand that, in order to determine my eligibility to participate in the Foundation, the Foundation needs information about my family income, and my health insurance. I agree to permit information about me to be given to the Foundation, Covance, RxCrossroads, and Amgen to support my application, which will include a verification of my coverage with my insurance company, and to update my records to show that I continue to qualify for the Foundation. I further authorize the Foundation to provide Amgen with information concerning any assistance provided to me by the Foundation.

I also understand that my information may be provided to clinicians, social workers, and family members if reasonably necessary to complete the application or coordinate assistance. I understand that my assistance in the form of free product is contingent upon my ability to meet the eligibility criteria for the program. I also understand that the Foundation reserves the right at any time, and without notice, to modify the application form; modify or discontinue this program and its eligibility criteria; or terminate assistance.

- I would like to receive Kineret® (anakinra) and/or Sensipar® (cinacalcet HCl) free of charge from The Safety Net Foundation. I do not have, nor am I eligible for, any private or public health insurance other than that listed above. I do not have, nor am I eligible for, any other form of public assistance with my medical expenses.
- I certify that I will not request reimbursement from any insurance carrier or government health benefit program for any Kineret® and/or Sensipar® I receive from the Foundation.
- I certify that the above information is correct to the best of my knowledge. I understand that this information will not be used for any other purpose unless I give written consent, the government requires it, or The Safety Net Foundation removes my name and any other identifying information.
- I understand that The Safety Net Foundation may change or stop this program with respect to any patient, or in its entirety, at any time. I also understand that, although Kineret® and/or Sensipar® may be given to me free of charge now, this does not mean I will be entitled to receive it free of charge indefinitely.
- I will not sell, trade, or distribute Kineret® and/or Sensipar® given to me by The Safety Net Foundation.
- I understand that The Safety Net Foundation and RxCrossroads, or such other distributor as the Foundation may designate, may need to obtain my medical records from my physician and related information, including but not limited to my name, Social Security number, address, and date of birth, in order to assure continuity of care and in order for me to receive Kineret® and/or Sensipar®. I authorize my physician to release the Foundation all medical records and related information that may be necessary or helpful to the provision of Kineret® and/or Sensipar®. I also authorize the Foundation, RxCrossroads, and their agents, to release medical information and related information to each other for purposes of my health care and in order for me to receive Kineret® and/or Sensipar®. A photocopy of this authorization will be as valid as the original.
- I understand that The Safety Net Foundation, Covance, and RxCrossroads may need to work with my social worker or other dialysis center agent to case manage and coordinate care, including drug refills, on my behalf. I hereby grant authority to _____________________________ (first/last name), _____________________________ (relationship to patient) to act as my representative for the purpose of coordination of therapy in The Safety Net Foundation.

This consent expires the latter part of 1 year after the date of execution or 1 year after the last date I receive product under the program. I understand that this information identifying me, which is provided on Parts 1 and 2 of this application, will not be used for any purpose other than for the Foundation unless:
