APPLICANT AUTHORIZATION FOR USE AND DISCLOSURE OF PERSONAL HEALTH INFORMATION

- I understand that before I may have communications with The AccessCUBICIN™ Program, sponsored by Merck Sharp & Dohme Corp. ("Merck"), or receive assistance from the Patient Assistance Program ("PAP"), sponsored by the Patient Assistance Program, Inc. (individually, "a Program"; collectively, "the Programs"), the administrators of the Programs, including their contractors or other representatives, will need to obtain, review, use, and disclose my personal health information ("PHI"), including information relating to my medical condition and prescription medications and the information disclosed in this patient enrollment form.
- I therefore authorize each of my physicians, pharmacies, and health plans to disclose my PHI, as necessary, to the administrators of the Programs and their contractors or representatives (eg, auditors), in order to verify my eligibility to enroll in the Programs and to enroll me in the Programs for which I am eligible.
- I also authorize the administrators of the Programs and their contractors or representatives to use my PHI to provide the services described in this enrollment form, and to disclose my PHI to my physicians and pharmacists as well as to Medicare, when applicable, my health plans, and their administrators, contractors, or representatives, in order for them to coordinate my benefits, provide reimbursement support, investigate my insurance coverage, and/or refer my application to the PAP.

- I understand that information concerning program participants may be summarized for statistical or other purposes and provided to Merck and/or the Programs.
- I understand that the PHI disclosed pursuant to this authorization, once disclosed, may not be governed by federal privacy law and may be subject to re-disclosure, but I also understand that the administrators of the Programs and their contractors and other representatives intend to use and disclose my PHI only for the purposes described in this authorization. I further understand that if I choose not to provide this authorization, it will not affect my eligibility for, or receipt of, treatment, including Merck products, or health care insurance benefits, but that I will not be able to receive any assistance from the Programs for which I may be eligible.
- I understand that I may cancel this authorization at any time by telephoning The AccessCUBICIN™ Program at (844) 282-4782 or by mailing a written request for cancellation to AccessCUBICIN™, 6251 Chancellor Drive Suite 101 Orlando, Florida 32809. I understand that canceling my authorization will mean that my physicians, pharmacies, and health plans may no longer rely on the authorization to share my PHI with the Programs, and that the Programs, their administrators, and their contractors and representatives will not be authorized to use or disclose the information pursuant to this authorization after my cancellation is received, but that any use or disclosure of such information that occurs before my cancellation is received will be unaffected by my cancellation.
- I understand that if I do not cancel this authorization, the authorization will expire 15 months from the date noted below. The administrators of the Programs will retain the information I have submitted in accordance with Merck's records retention policy. - Patient must be prescribed the Program Product for an FDA-approved indication.
- Patient must be 18 years of age or older and must have a private health insurance that provides coverage for the cost of the Program Product under a medical benefit plan.
- **The Co-pay Assistance Program is not valid for patients covered under Medicaid, Medicare, a Medicare Part D or Medicare Advantage plan (regardless of whether a specific prescription is covered), TRICARE, CHAMPUS, Puerto Rico Government Health Insurance Plan ("Healthcare Reform"), or any other state or federal medical or pharmaceutical benefit program or pharmaceutical assistance program (collectively, "Government Programs"). The Co-pay Assistance Program is not valid for uninsured patients.**
- **The Co-pay Assistance Program is not valid for patients covered under any qualified health plan purchased through a health insurance exchange (marketplace) established by a state government or the federal government ("Exchange Plan").**
- Patient must have an out-of-pocket cost for the Program Product and be administered the Program Product prior to the expiration date of the Co-pay Assistance Program. The benefit available under the Co-pay Assistance Program is valid for the patient's out-of-pocket cost for the Program Product only. It is not valid for any other out-of-pocket costs (for example, office visits charges or medication administration charges) even if such costs are associated with the administration of the Program Product. Claim for Program Product must be submitted by physician to patient's private health insurance separately from other services and products.
- **Patient must pay the first $35 of co-pay per administration of Program Product.** The benefit available under the Co-pay Assistance Program is limited to the amount the patient's private health insurance company indicates on the Explanation of Benefits (EOB) that the patient is obligated to pay for the Program Product, less $35, up to the maximum Co-pay Assistance Program benefit. Co-pay Assistance Program benefit is limited to one claim for Program Product per date of service, with a maximum of 42 claims. The maximum Co-pay Assistance Program benefit per patient is $1,000.
- Administration of Program Product must be between July 1, 2015 and December 31, 2015. An EOB from patient's private health insurance must be submitted within **60 days** of the date of the EOB for patient to receive Co-pay Assistance Program benefit; provided, however, that no EOB may be submitted more than **60 days** after the expiration date of Co-pay Assistance Program. The EOB must reflect the patient's out-of-pocket cost for the Program Product and submission of the claim by the patient's physician for the cost of the Program Product.
- Patient and physician agree not to seek reimbursement for all or any part of the benefit received by the patient through the Co-pay Assistance Program. Patient and physician are responsible for reporting receipt of Co-pay Assistance Program benefits to any insurer, health plan, or other third party who pays for or reimburses any part of the medication cost paid for by the Co-pay Assistance Program, as may be required.
- Patient must be a resident of the United States or the Commonwealth of Puerto Rico. Product must originate and be administered to patient in the United States or the Commonwealth of Puerto Rico.
- All information applicable to the Co-pay Assistance Program requested on this form must be provided, and all certifications must be signed. Forms that are modified or do not contain all the necessary information will not be eligible for benefits under the Co-pay Assistance Program.
- No other purchase is necessary.
- **The Co-pay Assistance Program is not insurance.**
- The Co-pay Assistance Program form may not be sold, purchased, traded, or counterfeited. Void if reproduced.
- The Co-pay Assistance Program is void where prohibited by law, taxed, or restricted. The Co-pay Assistance Program is not transferable. No substitutions are permitted.
- The Co-pay Assistance Program benefit cannot be combined with any other Co-pay Assistance Program, free trial, discount, prescription savings card, or other offer. Benefits are not available through this Co-pay Assistance Program for product purchased by patient at a pharmacy, even if later administered in a physician office or outpatient institution.
- Merck Sharp & Dohme Corp. ("Merck") reserves the right to rescind, revoke, or amend the Co-pay Assistance Program at any time without notice. Co-pay Assistance Program form is the property of Merck and must be turned in on request.
- Data related to patient's receipt of Co-pay Assistance Program benefits may be collected, analyzed, and shared with Merck, for market research and other purposes related to assessing Co-pay Assistance Programs. Data shared with Merck will be aggregated and de-identified, meaning it will be combined with data related to other Co-pay Assistance Program redemptions and will not identify patient.

PATIENT CERTIFICATION

I certify that I have read and understand the Terms and Conditions of the Co-pay Assistance Program. I certify that I meet the eligibility requirements listed in the Terms and Conditions and that the information I am providing on this form is true and correct.

I certify that I have private insurance and that no part of the costs associated with the Program Product for which I am seeking a benefit under the Co-pay Assistance Program was or will be covered or reimbursed by a Government Program or Exchange Plan, as those terms are defined in the Co-pay Assistance Program Terms and Conditions. I understand that if I begin to have coverage under any Government Program or Exchange Plan or if my state prohibits the redemption of manufacturer Co-pay Assistance (coupons) at any time, I will no longer be eligible to receive benefits under the Co-pay Assistance Program.

I certify that my insurance company has not prohibited the redemption of manufacturer Co-pay Assistance (coupons) for the Program Product and I understand that if at any time my insurance company prohibits the redemption of manufacturer Co-pay Assistance (coupons) for the Program Product, I will no longer be eligible to receive benefits under the Co-pay Assistance Program.

I understand that I am responsible for reporting receipt of Co-pay Assistance Program benefits to any insurer, health plan, or other third party who pays for or reimburses any part of the medication cost paid for by the Co-pay Assistance Program, as may be required.

I agree not to seek reimbursement for all or any part of the benefit I receive through the Co-pay Assistance Program. I understand that my physician will submit a claim to my private insurance company for the Program Product administered to me. I authorize my physician to submit the Explanation of Benefits received from my private insurance company to the Co-pay Assistance Program and to receive, on my behalf, any benefit for which I am eligible under the Program. I understand that my physician will apply any amounts received from the Co-pay Assistance Program toward the satisfaction of my obligation for the cost of the Program Product only. I understand that I am responsible to pay my physician $35 per administration of Program Product, and any balance owed to my physician not covered by the Co-pay Assistance Program.

I understand that any benefit I am eligible for under the Co-pay Assistance Program will be paid directly to my physician and not to me. If I have already paid my physician for my share of the cost of the Program Product for which I later receive a benefit through the Co-pay Assistance Program, I will seek the amount, less $35 per administration, back from my physician.

I understand that I am free to switch physicians at any time without affecting my eligibility to receive benefits under the Co-pay Assistance Program, provided, however, that my new physician must complete the information required on the form, including the physician certification, before any Co-pay Assistance Program benefit for which I am eligible may be paid to such physician on my behalf.

I will inform the Co-pay Assistance Program immediately in the event I become ineligible to receive benefits under the Program Terms and Conditions or if my insurance changes.
